Dearest Jeanetta!

I was very surprised, when, being at uncle Salomon Levy for a short visit, I suddenly got to read a letter from you!

I didn't know about your existence at all, like I didn't know about Moshe's and Tannia's existence; I came to Israel three years ago, only! I'm "Ola chadasha" (?)

If you have heard someone from Max Levy and his family, who lived once, before the second world war in Lithuania (now Russia), then you must know, that he had a daughter Sonitckka Hesanel's and 5 sons, - Gishai, Salomon, Adolf, Nathan, Saul. Nathan is my father! He, my brother Elinke, my mother Sonia were killed in the terrible war, I was in getto, then a partisan in the forest.

-2-  
After the war I continued my  
studies and in the year 1949m  
I got my Architect-Engineer  
Diploma, that means the second  
degree.

I didn't have the good fortune,  
and in the year 1982 I leaved  
my second husband, my house  
and came to Israel.  
I'm now 63 years old. Suddenly,  
I found the uncles Salomon and  
Moshe Levy with their families,  
and now you, too!

I have a job, live in my own apart-  
ment, speak 'hebrew free (although  
I didn't know hebrew before!). I love  
Israel, it's my country and I feel  
at home here!  
I should like to get letters from you  
and your sisters..

With much love  
yours Riva

(Sorry for my English!)
